

U17 AAA 2026/27 FEES
\$7800 *Subject to change.*

RESILIENCE. COMMUNITY. LEADERSHIP. LEGACY.

Hockey isn't just about the game, it's about the lessons, the intangibles that last a lifetime. At the South Side Athletic Club (SSAC), we develop more than just elite hockey players; we build leaders, community minded people with character who carry the lessons of the game far beyond the rink.

For 6 decades, SSAC has been a launchpad for players with ambition, who are bold, and who strive to compete at the highest levels. Building a foundation for success in hockey and in life.

The SSAC Way: We don't believe in shortcuts, we stand for something greater: a development experience that balances being a kid, with elite competition, personal growth, and community. Our values define the character of every player who wears the jersey:

- **Resilience** – SSAC players are mentally tough and able to overcome obstacles. They don't shy away from challenges, but instead, they face them head-on and emerge stronger, showing that setbacks are just setups for comebacks.
- **Community** – Being part of SSAC isn't just about hockey; it's about being part of something bigger. SSAC players care for each other, build strong relationships, and contribute to a positive, supportive environment, whether within the team or out in the wider community.
- **Leadership** – SSAC athletes don't just follow, they lead with integrity, both on the ice and off it. They inspire others by example, and represent the club in their actions and decisions.
- **Legacy** – Wearing the SSAC crest is an honor. Players are driven by the desire to contribute to the club's rich history and legacy of excellence. They understand that they have a responsibility not only to play well but to uphold the values and traditions that make SSAC what it is.

The SSAC Difference: More than a team, SSAC is a pathway for their future, elevating players to their fullest potential. Our structured AA and AAA development model provides players with elite competition, coaching, and exposure. More importantly we go even further, offering mentorship, leadership experiences, character building, and a commitment to helping our athletes become complete individuals.

- **Competitive Excellence** – We provide elite-level training and competition while ensuring players have the right support to chase their hockey dreams.
- **Character Over Everything** – We develop resilient, disciplined athletes who not only excel under pressure but also lead with integrity, respect, and a strong sense of responsibility to their teammates and community.
- **Legacy of Success** – Whether our alumni have gone on to the NHL, WHL, Junior, College/University, professional hockey, continued their education or embarked on their careers - their experience at SSAC has prepared them for what's next.
- **Lifelong Community** – When you join SSAC, you're part of something bigger. Players, families, coaches, and alumni all contribute to a culture of support and belonging.

This experience is about more than just hockey - it's about shaping young athletes into outstanding people, developing future leaders, forging lifelong friendships, and competing with heart. It's about wearing the SSAC crest with pride and knowing you're part of something that lasts long after the final buzzer.

Welcome to SSAC.

BE BOLD. BE MORE. BE SSAC.

REGISTRATION FEES INCLUDE

- ★ **Team Tournament Contribution:** \$1500/player will be deposited into the team account to help fund 1 tournament and alleviate the need for early fundraising*
